Agreement of Principles with LDRS GROUP LLC

Israeli Debate Team - U.S. Pilot Program | November 2026

1. Project Overview

The project will establish, train, deploy and promote a select team of 4-6 highly skilled Israeli debaters, capable of engaging English-speaking audiences in the United States in authentic, unscripted conversations about Israel. Rather than traditional advocacy videos, the pilot is built around real encounters with people holding different, challenging or opposing views. These conversations will be filmed and turned into compelling short-form digital content for large-scale distribution across social media.

The pilot includes candidate selection, professional training and preparation, a 10-day U.S. production tour, post-production, and a dedicated digital distribution and paid-media campaign.

2. Scope & Deliverables

- Recruitment and selection of 4-6 English-speaking Israeli debaters.
- Intensive professional Bootcamp: argument development, storytelling, on-camera performance, handling difficult questions, live debate, and simulations based on real conversations taking place in the United States.
- A 10-day production tour across selected U.S. locations (campuses, public spaces, events and other relevant environments), documenting live conversations and debates and identifying the strongest moments for digital distribution.
- Guaranteed delivery of a minimum of 80 fully edited, publication-ready short-form videos, with a target of up to 100 videos, optimized for Instagram Reels, TikTok, YouTube Shorts, Facebook and other relevant platforms.
- A dedicated digital and social media manager overseeing publishing, copywriting, scheduling, paid promotion, campaign optimization, performance monitoring and reporting.

3. Media Plan, KPIs & Timeline

- Target: a minimum of 10 million cumulative impressions across all distributed content during the pilot's media and distribution phase, combining organic and paid reach.
- Performance monitored across total views, average watch time, completion rates, engagement (shares, comments, saves, likes), follower growth, performance by debater/topic/platform, and paid-media efficiency.
- Indicative timeline: recruitment & pre-production 1-2 weeks; training & Bootcamp 1-2 weeks; U.S. production 10 days; editing & content preparation 3-4 weeks; distribution & paid-media campaign 8-12 weeks.
- A final performance report will summarize reach, views, engagement, content performance and recommendations for scaling the program.
