

Why invest in Ireland?

A proven destination

Over 1,800 overseas companies that have already set up strategic European focused operations in Ireland across multiple industries.

As the world's longest running investment agency, IDA Ireland is here to welcome you and help you set up for success.

Ireland is:

- English-speaking, highly skilled, and multicultural
- Young (one-third of our population are 25 or younger)
- Well educated (62.9% of 25-34 year-olds have degrees)
- Located in Europe and a member of the EU
- A consistent, open and progressive tax regime
- With our pro-business approach, companies can set up and start scaling fast
