Dear Mr. Ambassador:

We are pleased that you have retained Patton, Boggs and Blow to assist you in connection with your ongoing bilateral security programs with the United States Government. To ensure that you and we have a common understanding of our representation and to comply with the D. C. Rules of Professional Conduct for lawyers, I have described below our understanding of the terms of our representation.

The firm's fees for legal services are customarily based on standard hourly rates in effect when the work is performed. The hourly rates of our attorneys are based on level of experience, specialization and professional achievement. The billable rates for attorneys working on the matters currently assigned will range from \$250 to \$350 per hour. Given the unclear scope of our representation of the Government of Qatar at this time, we judge it preferable to enter into a monthly retainer agreement for the first Quarter of our work on your behalf, and at the end of that period enter into a more detailed agreement for future services.

We would propose a monthly retainer of US\$15,000 per month plus disbursements for this first quarter of work, to begin effective February 1, 1994. Disbursements will include long distance telephone charges, delivery charges, reproduction costs, travel expenses, filing fees and other similar out of pocket expenses. Certain of these items may be charged at more than our direct cost to cover overhead. The retainer fee of US\$15,000 for the month of February and thereafter should be wired at the first of the month to "PBB-Qatar, Nation's Bank, ABA#054001204, Acct.#3301265". We would expect to receive these monthly retainer payments at the beginning of each month, and we will bill you for disbursements and provide a summary of the month's activities at the end of each month.
