Re: *Amendment to the Engagement of Squire Patton Boggs (US) LLP*

Your Excellency:

Squire Patton Boggs (US) LLP ("SPB") is deeply honored to advise the Office of the Presidency of the Republic of Angola (the "Government"). We are grateful for the Government's expression of confidence in our work and its interest in extending the terms of our engagement. Accordingly, this letter amends the Engagement Agreement between SPB and the Government dated June 18, 2019 (this "Amendment").

The Government and SPB (collectively, the "Parties") agree to renew and extend the Term of the Engagement Agreement through June 17, 2022. The Parties also agree to a fixed semi-annual (i.e., twice a year) retainer of US\$1,250,000 (totaling US\$2,500,000 per year) (the "Retainer") against which we will bill our fees and certain costs at a rate of US\$208,333 per month (the "Monthly Fee"). The Retainer will be payable in advance, the first payment due upon signature of this Amendment. The Parties further agree that SPB may bill certain costs separately if approved in advance by the Government. Except as expressly stated herein, all other terms and conditions of the Engagement Agreement shall continue in full force and effect.

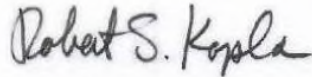

Please confirm your acceptance of this Amendment by countersigning the enclosed copy of this letter and returning it to me. If you do not agree with one or more of the provisions of this Amendment, please contact me so that we can try to address your concerns. You should also feel free to consult with independent counsel before signing. Throughout our relationship, we want you to be satisfied with the professional services that we perform on your behalf. Accordingly, we encourage you to contact us just as soon as you have any questions of concerns regarding our services or our fees.

Your Excellency, thank you again for your confidence in our work. It remains our great honor to represent the Presidency and, through it, the people of Angola.
