Understood. Thanks, Daniele.

We've represented the Office of the Presidency of the Republic of Angola since June 2019 and are registered pursuant to the US Foreign Agent Registration Act (FARA). Our scope of work—outlined in our engagement letter and publicly available as part of our FARA filings—is to help: (1) bring Angola's financial system up to international standards, (2) increase US trade and investment, (3) enhance Angola's profile in the US, and (4) advise on strategic communications.

I look forward to speaking in more detail.

Best,

Robert
