Subject: Angola - Meeting Request

Hi Carrick, hope you are doing well; I know we connected on a music issue about a year ago.

I wanted to check and see if you have any availability for a brief check in meeting on Angola (virtual or in-person). Given your boss' seat on the Africa Subcommittee, we would love to provide an update covering Angola's modernized economy, recovery from past crises', and good governance improvements. As you may know, Deputy Secretary of State Wendy Sherman just returned from Angola, and Chairwoman Bass led a delegation to Angola last August. The US' support for and recognition of Angola's progress is accelerating a fast-growing bilateral relationship that is strengthening commercial, security, and cultural ties.

Any chance you've got a few minutes during one of the below windows? Happy to look later down the road too.

Friday, May 20: Anytime
Monday, May 23: 11:00 am – 4:00 pm
Wednesday, May 25: Anytime

Thank you very much,

Perrin Brown
