<sup>1</sup>Political activity as defined in Section 1(o) of the Act means the dissemination of political propaganda and any other activity which the person engaging therein believes will, or which he intends to, prevail upon, indoctrinate, convert, induce, persuade, or in any other way influence any agency or official of the Government of the United States or any section of the public within the United States with reference to formulating, adopting, or changing the domestic or foreign policies of the United States or with reference to the political or public interests, policies, or relations of a government of a foreign country or a foreign political party.

ITEM 3

By letter dated November 19, 1991 (copy attached), Tenex authorized the Registrant to represent it in an antidumping investigation of uranium imports from the U.S.S.R. At that time, the Registrant's representation of Tenex was limited to the formal administrative proceedings before the Commerce Department and the International Trade Commission, and therefore such representation qualified for the lawyers' exemption under 22 U.S.C. § 613(g). Since then, however, the nature of Registrant's activities on behalf of Tenex has expanded, leading Registrant to conclude that registration under the Foreign Agents Registration Act of 1938 (FARA), as amended, is necessary. The contemplated duration of this representation is until the conclusion of the pending antidumping proceeding. In exchange for the services described in Item 4 below, the Registrant will receive no fees or expenses directly from Tenex. Any fees and expenses will be paid by another of Registrant's clients which is not a foreign principal, and therefore is not covered by FARA.
