Re: Contract for Services in connection with High Seas Fisheries Issues

Dear Mr. Kagawa:

This letter will set out the terms on which Foster Garvey ("FG") agrees to assist Global Guardian Trust ("GGT") in monitoring certain developments in the United States affecting Japanese fishing rights on the high seas, and related issues.

1. FG agrees to monitor the activities of the U.S. Government, and related developments in the business and environmental community, affecting the interests of Japan's fisheries, and to respond to specific questions FG may receive from GGT or the Embassy of Japan from time to time. In this connection, FG will monitor to the extent possible developments in the following areas:

   (i) position of U.S. in WTO negotiations on liberalizing fisheries trade, including reduction of subsidies and removal of non-tariff trade barriers;

   (ii) U.S. policies limiting domestic catch, including application of ESA to limit fishing of bluefin tuna, regulation of large mesh driftnets, and restrictions on fishing in designated Atlantic monuments and other portions of the ocean;

   (iii) position of U.S. government and environmentalists on disciplining flag of convenience vessels and other illegal fishing, especially in light of WTO trading rules and implementation of a U.S. National Plan of Action, U.S. laws requiring reports on IUU activities of other countries, etc.;

   (iv) developments concerning restrictions on the sale of Eastern Pacific Tuna in the U.S. that is labeled "dolphin safe";

   (v) NOAA's implementation of its MMPA rules restricting seafood imports to
products caught with no more marine mammal bycatch than in comparable U.S. fisheries, and related litigation over meaning and application of the MMPA rules to imports; and NOAA proceeding to waive MMPA to allow for catch of gray whales by Makah Tribe;

(vi) U.S. government policy on regulating aquaculture industry;

(vii) reauthorization of the Magnuson-Stevens Act and Endangered Species Act; and ongoing NOAA administration of current Magnuson-Stevens Act; and

(viii) other changes in U.S. fisheries policies of interest to GGT and the Japanese Government, including legislation on sharks, implementation of NOAA’s traceability rules, applicability of U.S. laws to illegal actions of ships on the high seas, U.S. government implementation of international fisheries agreements, and related litigation in U.S. courts.

2. FG agrees to discuss developments in these areas with GGT and representatives of the Embassy of Japan, and to provide written reports, as appropriate, in response to specific questions or requests received in the future from GGT or the Embassy of Japan as to the above matters, or related matters concerning the fisheries policies of the U.S. The services FG provides will be strictly monitoring in nature, and will not include any efforts to influence U.S. government policies on behalf of GGT or the Government of Japan.

3. It is agreed that for the services provided under the terms of this contract, GGT will pay FG the fixed amount of $54,000. Payment of this amount shall cover all fees related to, and all expenses incurred in, the performance of the work described above from April 1, 2022 through March 31, 2023.

4. GGT shall pay FG by wire transfer $13,500 on or before June 30, September 30, and December 31, 2022 and March 31, 2023. Interest at the rate of 12% per annum will be charged on amounts which remain unpaid ten days after payment is due.

5. It is further agreed that this contract will terminate without further notice on March 31, 2023.

If this letter accurately describes the terms of our agreement with respect to the services described, please so indicate by signing this letter in duplicate and returning one of the signed letters to me for my files. Thank you very much.

Sincerely,

FOSTER GARVEY
