Re: Contract for Services in connection with High Seas Fisheries Issues

Dear Mr. Kagawa:

This letter will set out the terms on which Foster Garvey ("FG") agrees to assist Global Guardian Trust ("GGT") in monitoring certain developments in the United States affecting Japanese fishing rights on the high seas, and related issues.

1. FG agrees to monitor the activities of the U.S. Government, and related developments in the business and environmental community, affecting the interests of Japan's fisheries, and to respond to specific questions FG may receive from GGT or the Embassy of Japan from time to time. In this connection, FG will monitor to the extent possible developments in the following areas:

(i) position of U.S. in WTO negotiations on liberalizing fisheries trade, including reduction of subsidies and removal of non-tariff trade barriers;

(ii) U.S. policies limiting domestic catch, including application of ESA to limit fishing of bluefin tuna, regulation of large mesh driftnets, and restrictions on fishing in Marine Protected Areas and other portions of the ocean;

(iii) position of U.S. government and environmentalists on disciplining flag of convenience vessels and vessels engaged in illegal, unreported, and unregulated (IUU) fishing, especially in light of WTO trading rules and implementation of a U.S. National Plan of Action, U.S. laws requiring reports on IUU activities of other countries, and restrictions on imports from IUU vessels etc.;

(vi) U.S. government policy on regulating aquaculture industry;

(vii) reauthorization of the Magnuson-Stevens Act and Endangered Species Act; and ongoing NOAA administration of current Magnuson-Stevens Act, including related litigation over these laws' existing requirements; and
