We undertook for the client an assessment of the public policy environment concerning development of a mine in British Columbia. Copper from the mine would be exported through Alaska. Client needed to know about U.S. governing laws and who were key policymakers. We set up meetings for the client, re-attached schedule and accompanied client to meet with policymakers to explain their project. Project was from late May until Mid-August. Client was billed at total of \$18,385.22.

4. Describe fully the nature and method of performance of the above designated agreement or understanding.

We provided client with briefing of laws and agencies that would be involved with permits and approval of project. We set up two days of meetings and created a key contact list so they could mail updates on their project to interested parties.
