About

The Korea Economic Institute of America (KEI) was established in 1982 as a not-for-profit educational organization to promote dialogue and understanding between the United States and Korea. As a leading policy outreach and educational organization, KEI focuses on promoting economic, political, and security relations between the U.S. and South Korea. Located in Washington, D.C.

[KEI is registered under the FARA as an agent of the KIEP, a public corporation established by the government of the Republic of Korea. Additional information is available at the Department of Justice, Washington, D.C.]
