Re: Terms of Engagement

Dear Juergen:

I am pleased to confirm our representation of Federal Department of Economic Affairs, Education and Research ("EAER") in connection with efforts focused on changing the "tier" status of the Swiss Confederation in US export control law and other matters if mutually agreed upon. The firm appreciates your confidence in us, and we look forward to working with you.

At the beginning of our representation of a client, the firm's policy is to describe the manner in which we will bill for legal services and disbursements. A clear understanding of those matters helps to maintain a harmonious professional relationship. I encourage you to consider the matters set forth in this letter carefully and to raise with us any question that you may have now or later about its contents.

We refer matters to those lawyers in this firm who in our judgment can perform the highest quality work, in a timely and efficient manner, and at the lowest cost. We also employ non-lawyer personnel in tasks where lawyers are not necessary, to facilitate the efficient performance of services.

The firm will bill you \$30,000 per month to provide all the services ordinarily incident to efforts to convince the U.S. Government to change the status of Switzerland to a "Tier 1" country with respect to the "AI Diffusion" rules recently published as amendments to the Export Administration Regulations (EAR). Such work will include (i) providing advice on the relevant Trump Administration officials and Congressional staff and members to engage; (ii) meeting with such officials, with and without Swiss government officials, as warranted; (iii) preparing and revising talking points and other documents in furtherance of such efforts; and (iv) drafting comments to submit to the U.S. Government regarding why Switzerland should be changed to a "Tier 1" country. To the extent such work requires Akin attorneys and other professionals to register under and otherwise comply with the Foreign Agents Registration Act (FARA), they will do so.

If you request legal advice or counsel separate from such efforts, such as with respect to tariff or other trade-related issues, then we would bill for such time on an hourly basis with a 20% discount off standard 2025 rates.

Our standard practice is to bill on a monthly basis. This allows our clients to monitor both current and cumulative fees and expenses. We require that payment of statements be made within 60 days of

receipt, and we may suspend or terminate any work in progress if timely payment is not made. We may also withdraw from the representation in a manner consistent with applicable ethical standards.

Attached to this letter is our Statement of Firm Policies (the "Statement") that will apply to our representation of you in the matter set forth above and in each matter agreed to from time to time. In the event of a conflict between the terms of the Statement and the terms of this letter, the terms of this letter shall control. Please review these policies and let me know if you have any questions concerning them.

If the terms described above and in the attached Statement are satisfactory, please sign the enclosed copy of this letter and return a signed copy. If you choose not to notify us in writing of any objection to these terms, then that will also serve as agreement to these terms, subject, of course, to your right to terminate our engagement at any time.

Sincerely,

Akin Gump Strauss Hauer & Feld LLP
