Thx to @DanaPerino for having me on @dailybriefing to explain why Al Jazeera must register with DOJ under FARA so there is transparency of Qatar's control.

Pleased to rep the UAE, a strong US ally, in this effort so viewers know Qatar funds @AlJazeera.

Mi reporte revela que Al Jazeera viola nuestras leyes porque tiene que revelar que el canal es controlado y financiado por la familia real y el gobierno de Qatar.

Al Jazeera viola ley de EE.UU. al no revelar los vínculos con la realeza de Qatar

Wonderful to catch up with @RosLehtinen to learn about how Al Jazeera is violating the law by not registering as a foreign agent.
