Subject: VICINI--I need your help--URGENT!!!

All,

Sorry for bothering you on Saturday. But I've been talking continuously to the Vicinis over the last 48 hours coordinating their relief announcement. We were going to announce (global) their donation and plea for international business support Monday morning. However, this morning i received a frantic call from the client saying they want to AGGRESSIVELY pitch the story of how much the Dominican Republic is doing for Haiti--from standard relief supplies and food to mobile hospitals, food shelters, electricity, infrastructure support and so much more.

Apparently CNN and ABC are misrepresenting historical facts and ignoring what the country is doing, especially the business community. This is getting them absolutely nuts. Media is also misrepresenting the actual situation on the ground. I've contacted CNN this am to try and fix this.

Here's what we need. Please help/advise as i'm due to get on a flight to Korea this evening and will be out of commission all of Sunday:

1. Need VERY strong media team that can work over the weekend and MONDAY. the opportunity is there to tell our side:

Charles and Jonathan--sorry, but i think in my absence you need to be day to day point for client.

Need SAS to manage outreach (gaston is on vacation until Tuesday) and some top tiers

Need 2 SAEs and AE to do outreach to international top tiers--especially broadcast. Perhaps we get EMN involved.

2. Need online aggressive outreach--how do we set the record straight on FB? through blogs, etc.

They sent me a list of MAJOR influencers from the DR who are willing to comment. am waiting for a list of everything that DR government and business is doing.

Once we get the team together, will lead call to organize everything.

i need to call them back very shortly.

B
