Hi [Name]

I'm helping the COP28 delegation on their trip to New York. I was reading through your curtain-raiser on the UN General Assembly and was wondering if you would be curious to learn a bit more about COP28's climate priorities at UNGA? The COP28's delegation have multiple activities planned, including an agenda-setting speech delivered by the COP President-Designate at the closing plenary for the SG Summit. Let me know if you would be interested in learning more - I'd be more than happy to coordinate.

Best,
