Subject: COP30 President -- Interview?

Hi [REDACTED],

I am working with the COP30 Presidency, next week, COP30 President-Designate Amb. Do Lago and the COP30 High Level Champion Dan Ioschpe will be releasing a letter to businesses on the importance of participating at COP30 at Belem. The letter will stress the impact that the business community has across both the negotiated and non-negotiated outcomes of COPs, and across implementation.

If Bloomberg is interested, we can make Amb. Do Lago or Dan available for an interview next week to discuss the role of the business community in driving impactful outcomes at COP30. Perhaps next Friday could be optimal. This would be virtual, either is currently in Brazil.

Thanks for your consideration.
