The Place to Locate in Europe

Leading US technology company Pall Corporation recently opened another European manufacturing operation: in England's Devon and Cornwall. Pall already has two plants in Devon and Cornwall, so that its European manufacturing capability is increasingly concentrated here.

Pall chose Devon and Cornwall because of the skilled workforce, excellent labor relations, solid infrastructure and availability of financial incentives. Of course, Pall's

own successful experience in the area played a big part, as did Devon and Cornwall's magnificent environment.

The \$3 billion Harris Corporation of Florida is the latest firm to declare its intention to locate here. Find out more about the advantages for your

company of locating in England's Devon and Cornwall. Just clip your business card to this ad and send it to Ken Martin, Devon & Cornwall Development, 300 Unicorn Park Drive, Woburn, MA 01801. Telephone (617) 932-9697. FAX (617) 932-0590.
