11. During this 6 month reporting period, have you engaged in any activities for or rendered any services to any foreign principal named in Items 7, 8, and 9 of this statement? Yes ☒ No ☐

If yes, identify each such foreign principal and describe in full detail your activities and services:

All of our reportable activities during this period were with regard to the Iraqi National Congress (INC) and the Iraqi National Congress Support Foundation (INCSF).

Shea & Gardner provided professional and technical advice to the INC/INCSF during this period in connection with Cooperative Agreement S-LMAQM-00-H-0152, entered into by the Department of State and the INCSF on September 29, 2000, to fund "Channeling Humanitarian Assistance and Restoration of Civil Society in Iraq." Specifically, Shea & Gardner advised the INCSF in its efforts to operate under and comply with the conditions of that Agreement, including (a) researching and advising concerning accounting and financial controls, facilitating the INCSF's hiring of a U.S. accounting firm, and obtaining approval of that accounting firm from the State Department, (b) researching and advising concerning compliance with State Department and Office of Management and Budget regulations governing cooperative agreements and grants, (c) researching and advising concerning the Iraqi Sanctions Regulations, (d) helping the INCSF obtain licenses from the Department of Treasury Office of Foreign Assets Control (OFAC) and advising it concerning those licenses; (e) advising the INC/INCSF concerning lobbying regulations, (f) researching and advising concerning satellite broadcasting outside the United States, and (g) setting up three new corporate entities: the Iraqi National Congress Defense Foundation, the Iraqi National Congress Action Foundation, and the Iraq Public Broadcasting Foundation. (These entities were not yet operating as of April 30, 2001.) We also advised the INC/INCSF with respect to its proposed new grant or cooperative agreement to succeed the September 2000 cooperative agreement and routine organizational issues.

In pursuing these activities, Shea & Gardner personnel accompanied INC personnel to a number of meetings with State Department officials concerning the Cooperative Agreement and the proposed new grant or agreement and, on occasion, had separate communications with such officials. Many of the meetings and contacts were held or made at the request of the agency officials. Shea & Gardner also communicated on several occasions with the Department of Treasury (OFAC) concerning the INCSF's licenses and license applications and with the Department of Justice concerning Foreign Agents Registration Act issues. The government officials contacted are listed below, followed by a chronological list of the specific contacts or communications with government officials, in which the particular government official or officials contacted are identified and the name of the Shea & Gardner attorney involved is provided in parentheses:

12. During this 6 month reporting period, have you on behalf of any foreign principal engaged in political activity as defined below? [footnote omitted] Yes ☐ No ☒

If yes, identify each such foreign principal and describe in full detail all such political activity, indicating, among other things the relations, interests and policies sought to be influenced and the means employed to achieve this purpose. If the registrant arranged, sponsored or delivered speeches, lectures or radio and TV broadcasts, give details as to dates, places of delivery, names of speakers and subject matter.

All of Shea & Gardner's activities for a foreign principal during this reporting period were with regard to the Iraqi National Congress (INC) and the Iraqi National Congress Support Foundation (INCSF).

Shea & Gardner has not arranged, sponsored, or delivered speeches, lectures, or radio and TV broadcasts. Nor has Shea & Gardner attempted to influence members of Congress or their staffs.

While Shea & Gardner has engaged in contacts with executive branch officials on behalf of the INC and the INCSF during this period, we do not believe that these constitute "political activities" as defined in the Act. Shea & Gardner believes that its obligation to register and report stems from its activities in contacting certain government officials that come within § 1(c)(1)(iv) of the Act, 22 U.S.C. § 611(c)(1)(iv) ("within the United States represents the interests of such foreign principal before any agency or official of the Government of the United States"), not because those activities come within § 1(c)(1)(i) of the Act, 22 U.S.C. § 611(c)(1)(i) ("engages within the United States in political activities for or in the interests of such foreign principal"). Moreover, some of the INC/INCSF activities for which Shea & Gardner is providing representation come within the exemption for humanitarian aid provided by Section 3(d)(3) of the Act, 22 U.S.C. § 613(3)(d)(3). Nevertheless, because some of Shea & Gardner's contacts with government officials might be deemed to be attempts to "influence [an] agency or official of the Government of the United States * * * with reference to the political or public interests, policies, or relations of * * * a foreign political party [the INC]," Section 1(o), 22 U.S.C. § 611(o), and not to be covered by any exemption, all of Shea & Gardner's contacts with agency officials have been reported in the response to Item 11.
