Subject: Invitation for Senator Schatz to speak with TECRO (November 11 - 22nd)

Dear Zachary,

My name is Zoe Reid and I am with Crowell & Moring International. You recently met with my colleague Luca Consalvi during his meeting with the American Chamber of Commerce in Shanghai and the office of Sen. Schatz. Luca shared that your meeting was incredibly informative on the state of the US-China relationship, the growing competition between the PRC and US over global influence, and China's growing military capabilities.

I am reaching out on behalf of the **Taiwan Economic and Cultural Representative's Office (TECRO)** as we are supporting TECRO in familiarizing Taiwanese trade officers with the US policy landscape, US-China relations, and trade policy, among other topics. TECRO will be sending eight junior trade officers to D.C. in November to participate in meetings with key stakeholders across the federal government, private sector, and thought leaders.

Given Senator Schatz's commitment to maintaining stability in the Indo-Pacific, the TECRO delegation would greatly value the opportunity to meet with the Senator and yourself during their visit between **November 11 – 22nd**. Currently we are targeting Tuesday, November 12th, Monday, November 18th or Tuesday, November 19th, however we have flexibility with the delegation and are happy to accommodate the Senator's schedule.

During this pivotal time in the US-Taiwan relationship, we appreciate you considering meeting with the group and look forward to hearing from you soon. We are more than happy to set up a time in the near future to discuss this opportunity or answer any questions you may have.

Thank you,

Zoe

Subject: AIT and TECRO officer visit

Good morning,

I'm reaching out as we just spoke on the phone briefly, thank you for providing your email contact.

As I mentioned, I am working with the Taipei Economic and Cultural Representative Office in the United States (TECRO) to support a delegation of junior trade officers from Taiwan who will be visiting Washington, D.C. from November 11-22. The purpose of their visit is to gain a comprehensive understanding of how Washington operates, particularly in the realm of trade and economic policy.

Last year, the trade officers met with Jeff Horwitz and were graciously hosted by AIT. We would be honored if you could arrange a tour once again and/or provide a briefing on the structure, operations, and role of AIT in Washington.

I would be happy to speak with you or your colleagues to discuss this further at your convenience in the coming weeks.

Thank you very much for considering our request. We look forward to the possibility of collaborating with you.

Best regards,
Zoe
