MOTOR SCOOTERS

For hire at liveries throughout the Island and through your hotel or guest house - visitors must be 18 years or older to drive. Law requires all persons (driver and passenger) riding motorised cycles to wear safety helmets. It is always wise to lock cycles when not riding them.

Remember - We Drive on the Left! Pedestrian crossings are indicated by black and white zebra stripes on the road. A single yellow line denotes 'no parking'. Speed limit throughout the Island is 35 kph (20 mph). Do not speed and do not keep looking behind you.

Traffic Lights in the City of Hamilton.

At most intersections where there are traffic lights, pedestrians do not have the right of way on the crossing except when the green pedestrian light is showing. Pedestrian must push button on light pole for pedestrian green light. For the convenience of the blind, a bell will ring when the pedestrian light turns green. At other pedestrian crossings throughout the Island (marked by zebra stripes across the road), pedestrians do have the right of way and motorised traffic must stop in deference to pedestrians.
