[1]The term "foreign principal" includes, in addition to those defined in section 1(b) of the Act, an individual or organization any of whose activities are directly or indirectly supervised, directed, controlled, financed, or subsidized in whole or in major part by a foreign government, foreign political party, foreign organization or foreign individual. (See Rule 100(a)(9)).

I also serve on the Advisory Board for the US/Mexico *Environmental Business Bulletin* and as a liaison in the US for the Mexican Association of Industrial Parks (AMPIP), promoting AMPIP's "Green Flags" environmental project.

In my capacity as a business woman, I also collaborated with numerous coalitions formed across the country to lobby for NAFTA. In fact, I was invited by the White House to participate in a "Small Business for NAFTA" Rally held in Washington DC in November 1993.

[2]The term "political activities" means the dissemination of political propaganda and any other activity which the person engaging therein believes will, or which he intends to, prevail upon, indoctrinate, convert, induce, persuade, or in any other way influence any agency or official of the Government of the United States or any section of the public within the United States with reference to formulating, adopting, or changing the domestic or foreign policies of the United States or with reference to the political or public interests, policies, or relations of a government of a foreign country or a foreign political party.
