Re: Letter of Understanding Between the International
Liaison Office and the Government of Haiti

Dear Michael:

Pursuant to my authority as general counsel for the Government of Haiti, I write to express our mutual understanding as to the terms and conditions of service that the International Liaison Office will perform for the Government of Haiti over the next year. Beginning January 1, 1995 through December 31, 1995 the International Liaison office will continue its political and informational services to the Government of Haiti. The Liaison Office will continue its work as in previous years and the Liaison Office's work will include but not be limited to:

1. The establishment of a program enabling the Office to report on developments which may impact on foreign aid entering Haiti. To the extent that the Office is kept informed by the Government with respect to agreements consummated for foreign aid, the receipt of foreign aid moneys, credits, materials and other resources, etc., the Office will also seek to report on the fulfillment of foreign aid commitments to Haiti and will assist in advocating for the fulfillment of those commitments and in obtaining future commitments consistent with sound principles of development in the interest of the people of Haiti.

2. The establishment of a program of education and outreach to NGOs and other actors in civil society specifically targeted toward building and maintaining support for democracy in Haiti and the strengthening of institutions for the protection of human rights.
