RETAINER AGREEMENT

between

PAUL, HASTINGS, JANOFSKY
& WALKER
Washington, D.C. 20036
("The Firm")

THE EMBASSY OF THE
GOVERNMENT OF THE
REPUBLIC OF HUNGARY
("The Client" or
"Government")

The Embassy of the Government of the Republic of Hungary (the "Government") hereby retains the Firm to provide legal counsel and representation in the matter or matters set forth with specificity in paragraph one (1).

1. The scope of services to be performed by the Firm during the year December 1992 through December 1993 would include, inter alia, the following:

a. Providing assistance and counsel to the Government in developing appropriate administrative and legislative strategies relating to the Government’s interests;

b. Providing assistance and counsel to the Government in securing economic aid and assistance from the Government of the United States; and

c. Working with the representatives of the Government to enhance good will in the U.S. and to raise the visibility and priority accorded the Government in U.S. funding, foreign policy, trade and finance deliberations.

2. It is expressly agreed that the Firm will exert its best efforts, consistent with the Canons of Legal Ethics for the legal profession, in its representation of the Government’s interests, but that the Firm has made no guarantees whatsoever regarding such matters, and further that all expressions relative to the advice given in this matter are deemed to be the opinion and best judgment of the Firm.

3. The Firm’s representation of the Government shall be under the direct supervision of the Ambassador and such
person(s) as may be designated by the Ambassador. In all circumstances in which it may act on behalf of the Government, the Firm will take instructions and receive guidance from the Ambassador and/or from such designee(s). The Firm will consult with the Ambassador and the foregoing designee(s) regularly.

4. The Firm will be compensated for its efforts at a retainer of Eight Thousand Three Hundred Thirty-Four Dollars ($8,334.00) per month. Such monthly retainer shall be payable each month. Upon the date of the signing of this Retainer Agreement (the "Agreement"), the Government agrees to pay to the Firm the first monthly retainer amount.

5. In the event the Firm is requested by the Government to incur expenses that are unusual or in excess of Five Hundred Dollars ($500.00) in any one month, e.g., travel expenses to Budapest, such unusual expenses shall fall outside the lump sum amount noted above and shall be incurred by the Firm only if specifically approved by the Government which agrees to pay for the same.

6. The Firm, as its usual practice, will continue to keep time records for each lawyer and paraprofessional who commits professional time and effort to the Government in this matter. The hourly billing rates in our Washington, D.C. office range from $200 to $325 for partners, $95 to $215 for associates, and $75 to $105 for legal assistants. However, since this retainer fee agreement is a lump sum fee arrangement and not specifically tied to an hourly amount, time charges will not be forwarded to the Government, except upon specific request. It is anticipated, inter alia, that the time which the Firm commits to the prosecution of this case will exceed, by way of hourly time charges, vis-a-vis the ordinary professional rate charged by the Firm for each of the lawyers involved in this matter, the total sum of $100,000.00 to be received under this Agreement. If, after receiving our statements for professional services, the Government disagrees with the Firm’s fees as shown on any such statements, the Firm typically resolves disagreements to the satisfaction of both sides with little inconvenience or formality. If the parties are not able to resolve a fee dispute, the Government has the right to request arbitration under supervision of the California State Bar Association. The Firm agrees to participate fully in that process. Since, however, the matter relates to a fixed fee arrangement, the Firm does not anticipate any such problems.
7. The Government agrees to cooperate fully with the Firm. The Government understands that such cooperation is absolutely necessary for the Firm to properly analyze the Government's situation and advise the Government accordingly and to satisfy the Firm's legal and/or ethical obligations that the Firm, in its sole judgment, believes it has.

8. The term of this Agreement shall be for one year beginning with the date indicated below, unless terminated by the Government or the Firm in writing, and it may be extended on such conditions as may be agreed to by both parties. The Government shall at all times have the right to terminate the Firm's services.

9. Generally, the Firm keeps each client's legal files for ten years after the Firm closes a file. After ten years, the Firm destroys those files unless the Client requests otherwise.

10. All written material submitted by the Firm to the Government shall be in the English language and, when required by the Government, in the Hungarian language. The Government may communicate with the Firm in English or Hungarian.

11. The Government understands that the Foreign Agents Registration Act requires that all persons acting in the United States to affect United States policies on behalf of a foreign principal must register with the United States Department of Justice (subject to certain exemptions not applicable in this instance) and that the Firm must register under this law regarding its activities on behalf of the Government. The Government further understands that, by law, the Firm must advise the United States Department of Justice twice yearly of all contacts made with United States government employees, all monies received by the Firm from or on behalf of the Government, and all monies paid by the Firm on behalf of the Government. The Government is aware that this information will be available to the public.

The Government understands that the Federal Registration of Lobbying Act requires that all persons engaged in and paid to influence legislative action must also file a report to register with the Clerk of the United States House of Representatives and the Secretary of the United States Senate before "doing anything in furtherance
of such object." The Firm, on behalf of the Government, will be filing these reports quarterly.

12. Each of the signatories to this Agreement acknowledges the fact that the Firm represents clients or has proposed to represent clients from the private sector who are or may be interested in investing in Hungary. The Firm does not believe that a conflict of interest exists as a result of such representation or proposed representation. If, however, a conflict should develop, the Firm will immediately advise the Government and take the necessary and appropriate steps to resolve the conflict.

Agreed to on this 19th day of January, 1993.
