Explanation of Amendment
to Wayne Owens' Initial Registration Statement

I am filing this "Amendment to Registration Statement" to correct a deficiency in my February 14, 1994 Registration Statement. In that Registration Statement I listed Ibrahim Kamel as a foreign principal pursuant to the Foreign Agents Registration Act ("FARA") (see Question 6 of the Registration Statement). I also listed compensation received from Ibrahim Kamel as being payment from someone who is a foreign principal (see Question 8 of the Registration Statement). At the time of my FARA filing, I had anticipated being requested to perform FARA registrable activities. However, it now appears that no such FARA activities will be undertaken nor are any currently contemplated.

In addition, after a thorough examination of the services I have performed to date and that I expect to perform in the future on behalf Ibrahim Kamel, I have concluded that all of the services have been and will continue to be outside of my obligation to register and report under FARA. Because I have not and do not expect to perform FARA registrable work for Ibrahim Kamel, and because only those foreign principals for whom FARA registrable

activities will be performed should be listed in the Registration Statement, it was not necessary under FARA for me to have listed Ibrahim Kamel as a foreign principal on my Registration Statement or his payment to me. Accordingly, I am filing this "Amendment to Registration Statement" to delete (i) the listing of Ibrahim Kamel as a foreign principal in Question 6 of the Registration Statement and (ii) the corresponding listing of money received from Ibrahim Kamel in Question 8.

As of this filing, I have performed no work for Ibrahim Kamel that is reportable under FARA and do not expect to do so. If, however, any of the services I am to perform on Mr. Kamel's behalf in the future are registrable pursuant to FARA, I will, of course, file the appropriate forms with the Department of Justice.
