# Irish Unity People's Assembly: Diaspora Continuing the Conversation April 14, 2025 at 7:00pm ET

Hello,

I hope you are all having a lovely start to spring.

It's been busy around here as I've been working on rolling out the next series of People's Assemblies. I hope you saw details in the latest newsletter.

We will be in Nashville, TN, Cincinnati, OH, and Chicago, IL in late May, and we are lucky to be joined by Pat Cullen MP for all three events. Tickets are already moving, and I am looking forward to how those events will bring more activists into our group and into this work.

If you have friends, family, or contacts, in any of those cities/areas, I would greatly appreciate it if you would share information and encourage them to attend.

Our next meeting will be at 7:00pm ET on Monday, April 14.

We have a few goals/agenda items:

- Create a sub-committee of members who want to work with the drafts provided below to create a resolution that we can use at local, state, and national levels to increase the legislative pressure on the call for Unity.

could include coordinated letter writing campaigns, social media campaigns, event follow up, or other ideas we may discuss.

- Share thoughts about outreach opportunities for the next three and future People's Assemblies - what worked well, what should we try, who can help with spreading the word?

Review the docs linked below, check out information about the upcoming assemblies, and then join the call right here at 7:00 pm ET on Monday, April, 14:

Have a great weekend and see you soon!
