## Next Irish Unity People's Assembly for the Diaspora Zoom Call: Monday, July 14 7:00pm ET

Hello,

Quick reminder that we are scheduled to meet next Monday, July 14 at 7:00pm ET on this zoom link: <https://zoom.us/j/96095888826>

Quick updates:

Our **Study Group** has run into a delay due to issues with availability of the book we selected (*Making Sense of a United Ireland* by Brendan O'Leary) - I have a message in to the author to see if he has any ideas. We may need to select a different book or get creative with essays, reports, an other texts while we wait for more information.

**Education and Engagement** group has been working on crafting an FAQ section for a brochure that is being made for upcoming People's Assemblies - you can see the latest progress here - this is excellent work and very helpful in our work to ensure everyone feels welcome and part of the cause.

The **Resolutions** group is making excellent progress thanks to the drafts being written, shared, and edited by the group. It would be great if someone from that group

### No Committee Yet?

If you were unable to join the most recent call and would like to join one of the committees above, please send me an email and let me know. If you want to discuss ideas for a new committee or share updates from your work in your committee, be ready to share on the call.

I am looking forward to seeing everyone who can make it. If you haven't made one of the calls yet, why not jump in and join us on Monday, July 14th!? We don't take attendance, but the calls are better when you're there and we have plenty of work to do!

Thank you all again for all of your work and commitment to the cause of a new and united Ireland. Please let me know what questions you have or resources you need.

See you next Monday!

Sincerely,

Greg O'Loughlin  
Executive Director
