

Building Support for Irish Unity in the US

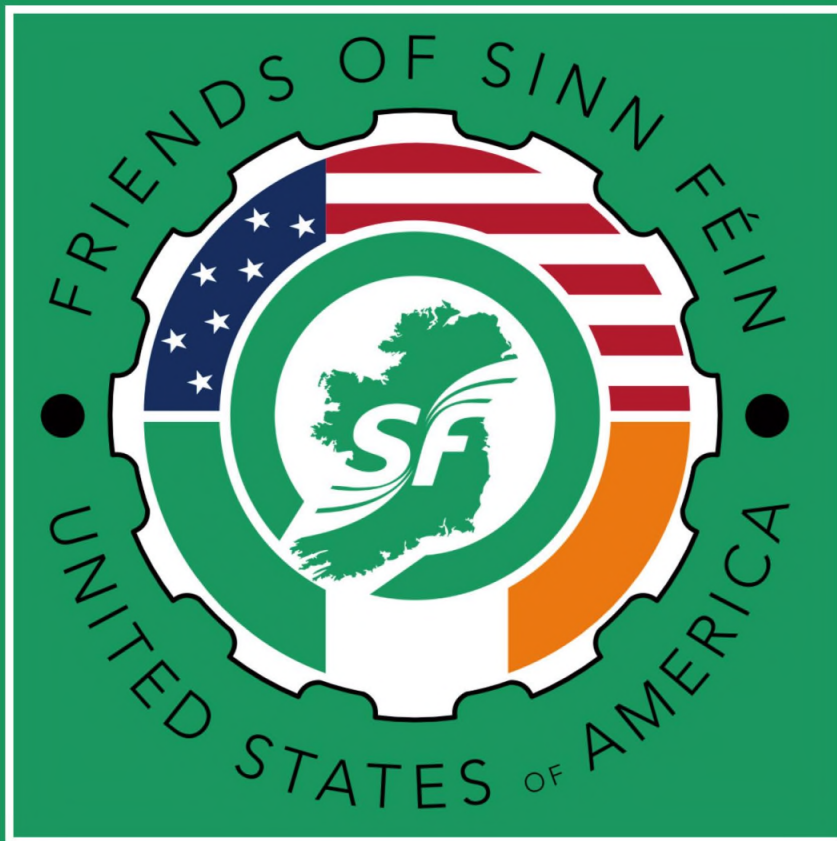

SEPTEMBER 2025

Friends of Sinn Féin USA this year has promoted the cause of Irish Unity online, in the media, at Congress and State houses, and within the community. There would have been no Good Friday Agreement without the US. There will be no united Ireland without the US.

A generation has grown up in peace and is hopeful for the future. It is now time to finish the deal. The US will be central to securing and winning the Irish Unity referendums. Your support makes all the difference. Together, we will unite Ireland.

FRIENDS OF SINN FÉIN

HIGHLIGHTS & THANKS

Momentum for Irish Unity Continues to Grow

The Good Friday Agreement provides a peaceful and democratic pathway to Irish Unity. An end to division and the building of a new Ireland that will be a home to all who share the island.

The future is in the hands of the people of Ireland, North and South, to vote in referendums for Irish Unity. That is the promise of the Agreement. Momentum is building across Ireland to secure and win those referendums. Thank you for your support, and we hope you continue the journey with us.

We remember the life and impact of Pat Donaghy, founder of Structure Tone and a longtime supporter of Friends of Sinn Féin

This St. Patrick's Day - is the Irish Government listening?

The new Irish Government has dropped Irish Unity from its Programme for Government.

It has also dropped its long standing promise to permit the diaspora to vote in the Irish Presidential elections.

Irish America believes that the Irish Government has a constitutional obligation to plan for the unity referendums promised in the Good Friday Agreement. It is failing to meet that obligation.

Irish Government Ministers will travel across America this St. Patrick's Day.

Are they listening?

It is time to respect the right of all Irish Citizens to elect the Irish President. It is time the Irish government planned and prepared for Unity.

This St. Patrick's Day, let the Irish Government know it's time to commit to building a new and United Ireland.
