

HARAFICA MORAVIAN CIMBALOM BAND

HARAFICA

Traditional folk music band Harafica from the Czech Republic is here!

During its US tour, the cimbalom band will perform in Chicago, Cedar Rapids, Philadelphia, Washington, D.C. and New York City. Apart from traditional cimbalom music and Moravian folk songs, the concerts of Harafica promise to bring a cocktail of classical and modern music.

Harafica has won the hearts of its audiences thanks to their natural temperament, which radiates from everything these young musicians play, whether it's traditional folk songs or modern world music. The band has released three albums and has performed in several European countries, including Spain, Switzerland and France. They draw inspiration not only from their hometown of Uherské Hradiště in Southern Moravia, but their music, which is a fusion of overlapping genres and the band's own compositions, has its roots also in Slovakia, Hungary and Romania.
