Subject: Azerbaijan Update

Good afternoon,

Yesterday, the State Department released its annual Country Reports on Terrorism, detailing key developments in 2019 in the global fight against ISIS, al-Qa'ida, Iranian proxies, and other international terrorist groups. I wanted to share the overview for Azerbaijan:

In 2019, the Azerbaijani government actively worked to deter, detect, and defeat terrorist efforts to move people, money, and materials across its land and maritime borders and within the South Caucasus. Azerbaijani law enforcement and security services conducted operations to disrupt and prevent terror attacks, arrested and prosecuted suspected terrorists, and prosecuted returning Azerbaijanis suspected of joining or financing terrorist groups fighting outside Azerbaijan.

Please let me know if you have any questions.

Best,

Mark
