Subject: Azerbaijan Update

Good afternoon,

I wanted to bring to your attention the following article by Radio Free Europe / Radio Liberty titled "[Azerbaijan, Turkmenistan Finally Reach Deal On Lucrative Caspian Sea Energy Field](#)." It noted Azerbaijan and Turkmenistan's agreement on the joint exploration of an undersea hydrocarbons field in the Caspian Sea, which "will help pave the way for a trans-Caspian pipeline -- a multibillion-dollar plan to link Turkmenistan's giant gas fields to Europe via Azerbaijan."

Please let me know if you have any questions.

Best,
Mark
