Re: Strategic Litigation Communications Program for Project Voss

Dear Joseph:

We are very pleased to be working with DLA Piper and its client, the Executive Office, in the execution of a strategic communications effort for Project Voss. This contract is for services as outlined in the project proposal presented to the Voss Team on 29 November 2006 in New York City.

We are convinced that a cogent communications initiative will be an instrumental component of your legal defense and directly contribute to your success in countering expected litigation as well as in mitigating any long-term reputation damage for your client.

CONTRACT

Agreement

DLA Piper has requested us to provide services relating to a potential civil litigation matter involving its client, the Executive Office, and we have been working within that relationship from the start.

Work shall continue as an open-ended engagement. It may also be terminated by either party upon thirty (30) days written notice. The engagement will begin with a \$150,000 retainer to be paid by the Executive Office to Levick Strategic Communications as the first payment for Levick services. The Executive Office shall exclusively be responsible for our fees and expenses. Subsequent invoices for services and expenses will be sent by the first week of each month. They will be due upon receipt.

We have agreed to provide a ten percent (10%) courtesy discount to begin with the March 07 billing cycle and to continue through the following nine (9) months. To the extent that you or the Executive Office determines that additional work is necessary, it shall be performed on an agreed-upon basis as to scope and additional budget, and billed on an hourly basis in addition to the monthly retainer.

During the term on this engagement, Levick will manage the activities of Rock Creek Strategic Marketing, which will provide Web-based communications and analysis services, and of TDI, which will handle investigative assignments in support of your litigation needs.

CRM/CES/ACMS/LEVIN/UMI

Both Rock Creek and TDI will invoice you separately and directly on the same schedule as Levick. Rock Creek's first retainer is \$70,000; TDI's is \$65,000. As discussed, we have expedited billing for Levick, Rock Creek and TDI due to the extensive nature of the work required in the first few months of this engagement. Second invoices from Rock Creek (\$35,000), TDI (\$25,000), and Levick (\$133,500), will be presented on January 3, 2007. The second Levick invoice includes the 10% goodwill discount. For your convenience, we have included a chart on page 3 of this document that outlines the rolling budget for Levick's services as well as those of Rock Creek and TDI.

Out-of-pocket expenses will be billed separately. Should any expenses involve extraordinary amounts (e.g., for video news releases, photography, or unusual travel), we will consult first with you for approval.

Scope of Services

You and your client are free at any time to expand the scope of work by informing us of what changes you require, either in writing or orally, subject to the provisions set forth below.

Throughout our relationship, we will provide you with monthly statements that reflect the services performed for you and your client along with an Executive Summary identifying results and describing our work. These summaries will also be provided to your client.

Confidentiality

We agree not to, during or subsequent to the termination of this Agreement, divulge, furnish or make accessible to anyone, knowledge or information obtained from you, the client, or any of your agents, representatives or employees, without your prior written approval.

Privilege

We understand that you have retained Levick to assist you in your capacity as outside counsel to the Executive Office with regard to anticipated civil litigation concerning international human rights, labor and employment, and other related issues. In doing so, Levick shall work at your direction. To the extent that Levick communicates with other members of the Executive Office directly, it will be in connection with assisting you as described above. In so assisting you, our communications, written or otherwise, including all information received from DLA Piper or the Executive Office, as well as all work product we may generate with regard to this matter, are intended to be confidential and maintained within the scope of, and protected under, the attorney/client privilege, the attorney work product doctrine, and any other privileges or protections that may be applicable. Accordingly, we will maintain as confidential all information provided by DLA Piper or the Executive Office ("Confidential Information") and we shall not disclose such information to any third party without the prior written consent of DLA Piper. Any notes or other documents we create in connection with this matter shall be marked with the same legend as set forth at the top of this correspondence pertaining to the attorney/client privilege and related privileges.

At the end of this engagement, at your written request and to the extent permitted by law, we shall return to you or destroy all materials containing Confidential Information, including but not limited to documents, computer media and electronic data.

If any of the information or materials related to this engagement that are within the custody or control of us or any of our agents or representatives are subpoenaed by any person or entity, you will be provided written notice of such subpoena in advance of our compliance therewith to enable you to seek a protective order or other appropriate remedy. If necessary, we will cooperate with you in any effort to obtain such protective order or remedy. If you do not obtain and deliver to us a protective order or other order by the due date of the subpoena, we will comply with the subpoena, but will comply with such subpoena in a way as to limit, to the extent able to do so, the Confidential Information being disclosed.

Our obligations pertaining to privilege and confidentiality shall survive the termination of this agreement.

Contracting

You and the Executive Office agree not to hire any Levick employees or their agents independently for the period of this agreement and one year after its completion.

Indemnification

Since we will be acting at your direction in providing legal services to the Executive Office, the Executive Office agrees to indemnify and hold us and our agents and assigns harmless with respect to any claims or actions for discovery. The Executive Office also agrees to indemnify and hold us and our agents and assigns harmless with respect to any claims or actions for libel, slander, defamation, copyright infringement, idea misappropriation or invasion of rights of privacy arising out of our consultation and/or any materials or information supplied by you to us where we have acted in good faith and in accordance with your instructions; it being understood and agreed that this indemnity shall not extend to any claims or actions for libel, slander, defamation, copyright infringement, idea misappropriation or invasion of rights of privacy where we have acted contrary to your instructions or otherwise have acted with gross negligence.
