This Master Consultancy Services Agreement (“Agreement”) is made effective 27th May 2021 (“Effective Date”), and is between:

ABU DHABI INVESTMENT AUTHORITY (ADIA), a public institution established under the laws of the Emirate of Abu Dhabi, United Arab Emirates, with its head office located at 211 Corniche Street, PO Box 3600, Abu Dhabi, United Arab Emirates, hereinafter referred to as “ADIA”; and

THE GLOVER PARK GROUP, LLC, a government relations and communications company, organized and existing under the laws of the District of Columbia, USA, with its registered address located at 1025 F Street NW, 9th Floor, Washington DC, 20004, USA, hereinafter referred to as “Consultant”.

ADIA and the Consultant are hereinafter referred to collectively as “Parties” and individually as “Party”.

1. SERVICES

1.1 Services. During the Term, as defined in Clause 2.1 below, and subject to the terms and conditions of this Agreement, the Consultant may be engaged by ADIA from time to time to provide services, including consultancy services, which include, but are not limited to, services performed, workmanship and material furnished or utilized in the performance of services and any and all deliverables related to the services provided and any and all deliverables related to the Services provided (both services and deliverables are defined as “Services”). The Services include services which are not specifically described or included in this Agreement or a Statement of Work (“SOW”) but which, now or in the future, connected with or are necessary to properly provide or perform the Services (including as a necessary, required, inherent or incidental part of the Services) and deliverables (including, without limitation, reports, studies, conclusions, recommendations, analyses and other materials) developed, generated or produced by the Consultant. “Perform” shall mean both providing the Deliverables and performing the Services.

1.2 SOW. This Agreement contemplates Parties’ execution of individual SOW which describes the details of the agreed scope of the Services, the agreed fees arrangement, the delivery timeframe and any other relevant provisions in accordance with the terms and conditions of this Agreement. To be validly executed and binding, each SOW must be signed by authorized signatories of both Parties. ADIA shall not be obliged to place orders for the Services nor for any minimum volumes of the Services under this Agreement, except for those fixed fees outlined in any executed SOW. The Consultant acknowledges that it will not be the exclusive provider to ADIA of the Services and further acknowledges that ADIA may procure the Services from other contractors at its sole discretion.

1.3 The Agreements. Any and all references of “the Agreements” herein shall include this Agreement as well as duly executed SOW(s). To the extent there is a conflict or inconsistency between the terms of this Agreement and a SOW, the terms of the SOW shall prevail and govern.

1.4 Exclusion. Any and all Services provided pursuant to SOW(s) shall be governed by the terms and conditions of the Agreements to the entire exclusion of any and all other terms or conditions, unless agreed in writing by both Parties. No terms or conditions delivered with the Services and/or on the Consultant’s website(s) or in any proposal documentation shall form part of the Agreements and the Consultant waives any right which it otherwise might have to rely on such terms and conditions.

1.5 Change of Scope of Services

1.5.1 If, for any reason, ADIA desires that the Services provided pursuant to SOW(s) should be modified and/or added, ADIA will provide a written description of the modification(s) and/or addition(s), to the Consultant. The Consultant will, within ten (10) U.A.E. business days (or an alternative timeframe as otherwise agreed), provide to ADIA a draft modification and/or additional services to the applicable SOW which properly describes the modified and/or added Services and the associated fees or costs, if any. Upon written acceptance by ADIA of such modification(s) and/or addition(s), a separate amendment agreement shall be executed by both Parties to incorporate all modified and/or added services, regardless whether such modification(s) and/or addition(s) may result in an increase or decrease in the fees paid
under an applicable SOW. Upon execution by both Parties of such amendment agreement, the modified and/or additional services shall be included as the Services under the applicable SOW.

1.5.2 If, for any reason and upon the execution of a SOW between both Parties, ADIA desires that certain Services provided pursuant to that SOW and which are not provided yet by the Consultant are required to be eliminated from the scope, ADIA will identify and provide a written description of the eliminated services and/or deliverables to the Consultant and a separate amendment agreement shall be executed by both Parties. The total fees will be reduced to commensurate with the Services that required to be eliminated from the scope, as per the payment structure set out under the applicable SOW.

3.3 Payment. Subject to any other relevant Clauses in this Agreement,

3.3.1 in consideration for the provision of the Services in accordance with the Agreements, ADIA will pay the Consultant the fees in accordance with the terms prescribed herein and in the manner specified in the relevant SOW.

3.3.2 unless otherwise stated in the relevant SOW, the fees shall be payable after the successful provision and/or completion of the Services and receipt of all relevant invoices accompanied by supporting documents which have been verified and signed off by ADIA pursuant to this Agreement and the relevant SOW.

3.3.3 unless otherwise stated in the relevant SOW and in consideration for the provision of the Services in accordance with the Agreements, payment shall be made to the Consultant within forty-five (45) days of receipt of that invoice thereof by bank transfer to the bank account which shall be notified by the Consultant to ADIA separately in writing.
