Subject: UPDATE: Somaliland -- Elections for President, Vice President, and National Parties set for November 13

Good morning,

I am reaching out on behalf of the Republic of Somaliland's Mission to the United States to share an update on Somaliland's 2024 parliamentary and presidential election cycle.

Days ago, in accordance with Somaliland's Constitution and the [determination](#) of Somaliland's independent National Electoral Commission, President Muse Bihi Abdi issued a [Presidential Decree](#) affirming the date for the elections of the President, Vice President, and National Parties on November 13th, 2024. This announcement marks a significant milestone in advancing Somaliland's democracy.

Somaliland is dedicated to ensuring the fairness and transparency of the election process to accurately reflect the will of its citizens. This commitment comes after the National Election Commission (NEC) concluded finalizing voter registration forms, disseminating thorough information to candidates and voters, and implementing robust measures to uphold the integrity of the electoral process.

As a democratic government often seen as a model in the Horn of Africa, Somaliland continues to set an example for the region and beyond, inspiring others whose populations seek opportunities to participate in the democratic process.

Please feel free to reach out with any questions or if you require further information.
