Good afternoon,

Earlier today, the Second Circuit denied the plaintiffs' petition for rehearing *en banc* in the *Petersen Energia and Eton Park v. Argentina* litigation. The ruling is attached for your reference. As you may recall, on March 27, the Second Circuit reversed the district court's unprecedented \$16.1 billion judgment against the Argentine Republic.

Please let us know if you would like to speak to a member of the Republic's legal team on background.

Thank you,
Anya
