In reference to the work the Business Council for International Understanding undertook on behalf of the Nigerian Investment Promotion Commission, this amendment is to correct a deficiency in the 6 month supplemental statement ending on April 30, 2006, specifically that the work for the client had been completed by January 2006, and the file should have been closed at that time. We deduce that the error was that we had not been paid in full under this contract and incorrectly reported that we were still actively representing the client.
