Re: Letter of Agreement

Dear Ronald:

Thank you for the opportunity to work with King Abdullah University of Science and Technology ("KALIST" or "you"). This Letter of Agreement ("LOA") will be effective March 7, 2018, and confirms the understandings and agreements regarding this engagement between KAUST and Fleishman-Hillard Inc., using the trademark Fleishman-Hillard ("FH"). Should the parties desire to engage in further business, they may negotiate a more detailed, longer term business agreement to succeed this LOA. Except as provided herein, this LOA will expire as of close of business April 15, 2018. This LOA may be modified or extended in writing signed by both KAUST and FH, or may be terminated in the manner set forth below.

- 1. Engagement. KAUST hereby engages FH to furnish professional communications services and deliverables (collectively, "Services") described in the Scope of Work ("SOW") in Exhibit A attached hereto. FH will confer regularly with KAUST on status, issues, and questions as they arise during the LOA term.
- 2. Fees, Expenses, and Third-party Costs. FH's fees for services under this LOA will be bilted at FH's current standard hourly rates (which for USA staff range between \$75 per hour to \$525 per hour depending upon level of title and location; and if staff in other countries are accessed, their standard rates will apply). In addition to FH fees, KAUST agrees to pay the out-of-pocket expenses incurred by FH in performance of Services under this LOA. Charges for vendors, production services and contractors, media buys, and major purchases, etc. are not included in professional fees, and will be charged separately. If out of pocket expenses or third party costs are anticipated by FH to exceed \$5,000 (individually or in the aggregate) per month, FH may pre-bill KAUST in advance and KAUST will pay FH in time to enable FH to pay such costs and expenses by the time they are due. Total fees, costs, and expenses under this LOA will not exceed the total aggregate amount of \$300,000, unless agreed to in writing by the parties; provided however, the not to exceed amount does not include any Trademark or Patent Legal Opinions or search or registration costs described in Section 6.b below.
- 3. Billing and Invoices. FH will bill and KAUST will pay FH invoices in the following installments (½ and ½ of the not to exceed amount of \$278,000, subject to the ability to pre-bill expenses as stated above): Upon signing this LOA, FH will invoice KAUST \$139,000; on or about March 13, 2018, FH will bill KAUST the remaining balance, and on or about March 31, 2018. FH may bill KAUST via paper, facsimile, or emailed invoices. KAUST will pay FH's invoices via wire transfer within five (5) business days following receipt of invoice, payable in US Dollar currency to the wire transfer account specified in writing by FH. After completion of all services and receipt of all third-party and out of pocket charges, FH will reconcile the actual fees, disbursements, and related charges incurred against the invoiced amounts and if the previously billed total amount is higher than actual fees, costs and expenses incurred, FH will remit to KAUST the difference. In addition, the parties expressly agree that the not to exceed budget is an estimate of what the parties reasonably believe the time and deliverables will cost, however, if during the course of this LOA FH in good faith anticipates that fees, costs, or expenses will be higher than initially estimated in order to achieve KAUST's objectives, FH will notify KAUST and the parties will negotiate an applicable adjustment.
- 4. Confidentiality. a. During this LOA, either party (a "Disclosing Party") may disclose to the other party (a "Receiving Party") non-public business information, including but not limited to, financial data, pricing, rates, intellectual property or technology, products or services, strategies, personnel information, methodologies or other information that a reasonable person would consider confidential from the nature of the information or circumstances of disclosure ("Confidential Information"). Each Receiving Party shall safeguard and keep confidential the other party's Confidential Information, and will use such Confidential Information only as necessary to perform this LOA. Each party will limit the use of, and access to, the other party's Confidential

Information to team members who have a need to know such information under this LOA. Each Receiving Party will protect and will require and be responsible for its employees and contractors agreeing to protect the other party's Confidential Information to the same extent required by this LOA. Each Receiving Party shall not disclose the other party's Confidential Information to any third-party unless such third-party has signed a confidentiality agreement protecting such information.

- b. The above confidentiality and use restrictions do not apply to information (Confidential or otherwise) that; (i) is or becomes publicly available without breach of this LOA; (ii) is received by a Receiving Party from a source other than the Disclosing Party without any obligation of confidentiality; (iii) is developed by a Receiving Party without use of the Disclosing Party's Confidential Information; or (iv) is required to be disclosed by a Receiving Party pursuant to law or legal process (e.g. subpoena, warrant or other legal compulsion), and if permissible, the Receiving Party will provide Disclosing Party prior written notice of such obligation so that such Disclosing Party may oppose disclosure or obtain a protective order. The Disclosing Party may in addition to other available remedies seek injunctive relief to enforce this Section 4.
- 5. Ownership. Upon payment by KAUST to FH for all fees, costs and expenses due under this Agreement, FH will transfer to KAUST FH's rights, title and interest in and to the tangible materials, produced or authored by FH and delivered to KAUST under this Agreement ("Materials"). To the extent that all or any part of the Materials does not qualify as a "work made for hire" under applicable law, then upon receipt of payment by FH as stated above, FH hereby assigns to KAUST FH's right, title and interest therein without further action required by the parties. Notwithstanding the foregoing:
- a. FH retains all of its rights, title and interest in and to "FH Property," which includes (i) all materials comed by or licensed to FH prior to, or separately from, performance of Services under this Agreement or any SOW, and all modifications, improvements and enhancements thereof, and (ii) all generic, client agnostic, or proprietary information, ideas, concepts, methodologies, templates, software, processes or procedures used, created or developed by FH in the general conduct of its business, regardless of whether such FH Property is used by FH for KAUST's benefit, or made available by FH for use by KAUST. To the extent FH Property is incorporated in Materials produced for KAUST hereunder, FH hereby grants to KAUST a non-exclusive, perpetual, worldwide, royalty-free license to use such FH Property (except software) solely as incorporated in and for the use of the Materials; and unless otherwise agreed to in writing signed by the Parties, Software may not be used by KAUST after the term of this Agreement.
- b. Notwithstanding the foregoing, all property that would be considered Materials but that was developed or created by anyone other than FH, including open source software or code ("Third-Party Property") shall remain the sole and exclusive property of such third parties, and KAUST agrees to use Third-Party Property consistent with the restrictions for such Third-Party Property communicated to KAUST in writing.
- Indemnification. a. Each party (an "Indemnitor") agrees to indemnify and defend the other party, including its directors, officers, employees, and affiliates (each, an "Indemnitee") from any and all costs, demands, expenses, losses, claims, damages, liabilities, settlements and judgments including outside counsel reasonable attorneys' fees and expenses, arising out of third party claims sustained by an Indemnitee to the extant caused by: (i) the Indemnitor's breach of this Agreement or of the Indemnitor's representations, warranties, or other obligations herein; or (ii) the Indemnitor's negligence or intentional misconduct in connection with such Indemnitor's performance of or failure to perform this Agreement. No Indemnitor shall be liable to any Indemnitee under this Section 8 to the extent that damages are incurred by such Indemnitee as a result of such Indemnitee's own negligence, default, or misconduct. Indemnitee will make good faith efforts to notify Indemnitor timely following receipt of notice of a claim.
- b. Notwithstanding Section 6.a above, if, pursuant to this LOA or any SOW, FH creates or provides logos, slogans, trademarks, designs, service marks or other trademarkable items ("Proposed Trademarks") or patents or patentable items or processes ("Proposed Patents"), or provides Services or Materials that include Proposed Trademarks or Proposed Patents, FH will not be responsible for assessing the availability of any such Proposed Trademark or Proposed Patent for usage. KAUST will either (A) have FH engage a law firm to perform a trademark search and to provide a legal opinion analyzing the availability of, and potential conflicts for use of, such Proposed Trademark ("Trademark Legal Opinion"); or (B) KAUST will obtain its own Trademark searches and Trademark Legal Opinion. In either case, KAUST will pay all fees, charges, and costs (including but not limited to Trademark search services and legal counsel engaged by FH or by KAUST on such matters). KAUST will be responsible for obtaining clearance searches and legal opinions related to Proposed Patents

MAN

("Patent Legal Opinion"). FH shall not be liable to or indemnify KAUST for any Losses arising from the results or outcomes of the searches related to Proposed Trademark or Proposed Patent, the related Trademark or Patent Legal Opinions, KAUST's reliance on such searches or legal opinions, or KAUST's use of any Proposed Trademarks or Proposed Patents.

- c. Exhibit A

This Exhibit A is incorporated into, governed by and made part of the attached Letter of Agreement (LOA) between KAUST and FH, effective as of March 7, 2018 and unless otherwise defined herein, all capitalized terms in this Exhibit A have the same meanings as defined in the attached Agreement.

SCOPE OF WORK

The Scope of Work, Estimated Budget, including fees and expenses are set forth in the tables below.
