

SUBJ: Invite: Gateway Gulf 2025, Bahrain's Premier Global Investment Forum

Hi XX,

On behalf of the [Bahrain Economic Development Board](#), we'd like to **invite you to Gateway Gulf 2025** – a gathering of 200+ international business leaders, investors, and senior government officials to discuss trade with, and investment in, the Gulf region. The forum will take place on November 2nd and 3rd in Manama, Bahrain.

This year's theme, **"Rethinking Global Investment for New Trade Dynamics,"** will spotlight the Gulf Cooperation Council's next phase of economic diversification and transformation. With the GCC economy projected to triple in size to **\$6 trillion by 2050**, the forum offers a unique vantage point into one of the world's most dynamic markets. Bahrain is leading the way in this transformation, with **non-oil sectors driving 86% of the country's GDP** and an exciting pipeline of **\$30 billion in strategic projects** underway.

We'll ensure you have full access to the panels, sessions, or discussions you'd like to join. We can also coordinate any local visits or external interviews that you would like to pursue while on-the-ground. As part of the trip, you will also have the chance to explore the rich culture and history of the area. **All costs related to your trip would be fully covered.**

If this is of interest, I can share a detailed overview of the Forum and an agenda for the trip itself with you. Could you please let me know if you are interested and would like additional information? I'm happy to answer any questions you may have.

Thank you,
NAME
