

SUBJ: Invite: Gateway Gulf 2026, Bahrain's Premier Global Investment Forum

Hi XX,

On behalf of the [Bahrain Economic Development Board](#), we'd like to invite you to [Gateway Gulf 2026](#), taking place **November 1-2 at the Four Seasons Hotel Bahrain Bay in Manama**.

The invitation-only forum will bring together more than 200 international business leaders, investors and senior government officials to discuss the forces shaping investment and growth across the Gulf.

For U.S. reporters, the forum will offer an on-the-ground view of how Gulf markets are positioning themselves amid changing global capital flows and evolving U.S.-China dynamics. Gateway Gulf is also designed around investment and dealmaking. More than \$17 billion in investment commitments and partnerships were announced at the 2025 forum.

This year's theme, "Reimagining Global Partnerships, Powering Sustainable Growth," will focus on shifting trade and investment flows, emerging technologies and the energy transition, with discussions spanning sovereign capital, AI, renewable energy, healthcare, tourism and manufacturing.

We can provide access to relevant panels and sessions, as well as coordinate interviews with participating business and government leaders and, where useful, recommend local visits outside the forum.

Programming is still being finalized, but several relevant participants are already confirmed, including:

- **[PLACEHOLDER TO INSERT NAMES, TITLES]**

All costs related to your trip would be fully covered.

If of interest, I'd be happy to share additional details on the forum, participating speakers and proposed itinerary.

Thank you,
NAME
