CONFERENCES
IN FLANDERS

Flanders
State of the Art

Articles about art, chocolate, milestones and successful conferences? This must be the newsletter of VISITFLANDERS Convention Bureau, the official convention bureau of Flanders. We wish you lots of reading pleasure.

**“I make people with
throat cancer able to
taste again”**

Meet Julius Persoone,
named the Finest
Chocolatier of 2023 by
Gault&Millau. His
mission: to do things with
chocolate no-one has ever
done before. Like the
development of a praline
that allows throat cancer
patients to savour
chocolate again. [Read
more about this
milestone](#)

How do you hire a world star for your conference?

G-STIC is one of the most influential conferences in the world. On the program were resounding names as António Guterres, Yuval Noah Harari and Barack Obama. How do you get such stars to your conference? [Read the interview with Dietrich Van der Weken](#)

One of the most noble milestones in the world

To preserve mankind's great works of art for future generations – can you think of a more noble milestone? Camille De Clercq led the restoration of one of the most important paintings in the world: the Mystic Lamb. [Read more](#)

Yesterday kings and emperors, today the delegates of your conference

Over the centuries, no region in Europe has been conquered more often than Flanders. Why were foreign kings and emperors so eager to visit us? For the same reasons as your delegates: know-how, heritage and gastronomy. [Read more about it](#)

**We like to meet you,
even if it's not in
Flanders**

Coming to IMEX
Frankfurt from May 14-
16? Let's shake hands at
some exciting workshops
co-hosted by
VISITFLANDERS
Convention Bureau.
