FII PRIORITY MIAMI 2025: "Invest with Purpose" Summit to Shape the Future of Global Investment, Technology, and Sustainability

MIAMI, FL – The FII PRIORITY Summit, powered by the FII Institute, is returning for its third edition with an important call to action for global leaders and investors: **"Invest with Purpose."** Scheduled for February 19–21, 2025, at the Faena Hotel and Forum in Miami—a global hub for innovation and

economic leadership—the summit will convene world leaders, innovators, and visionaries to tackle the most pressing challenges and opportunities of our time.

In the face of geopolitical tensions, rising living costs, and systemic challenges such as healthcare and labor market shifts, the FII PRIORITY Summit will explore how strategic investments in innovation and sustainability can drive meaningful, long-term solutions in our rapidly changing world.

This summit is more than a conference; it is a movement and catalyst for change supported by the FII Institute founding partner PIF and more than 30 strategic partners. Building on insights from the 2024 FII PRIORITY Compass—a data-driven resource surveying over 50,000 respondents across 24 countries—the event will bring together influential thought leaders, investors, and policymakers to address humanity’s most urgent issues. These discussions aim to pave the way for innovative solutions that unlock significant economic value and drive global progress.

The summit will focus on key pillars aligned with its overarching theme, “Invest with Purpose,” including:

- **Architecting Next-Gen Private-Public Alignment**
- **Leadership in a Changing World**
- **Disruptive Tech & the Exponential Economy**
- **Frontiers of Capital**

Richard Attias, CEO of the FII Institute, stated: *“At FII PRIORITY Summit Miami 2025, we are bringing together over 1,000 influential leaders, investors, and innovators to explore bold solutions to these critical issues. This summit will catalyze the transformational change our world urgently needs, will continue the conversations started at FII8 this past October and will help to understand the directions which will be taken by the new US administration.”*
