

Bosnia and Herzegovina initials regional Transport Community Treaty with the EU – EU Delegation to BiH

February 16, 2017

The European Union and BiH Wednesday initialed the Transport Community Treaty, which is designed to improve the Western Balkan transport sector.

*“Today’s event represents the end of a long process which began in 2008. It is also, and above all, the beginning of new era of cooperation between the EU and the Western Balkans. There is a strong hope that, after Albania, Montenegro and Bosnia and Herzegovina others will follow in the coming days or weeks,” Deputy Head of the EU Delegation Khaldoun Sinno stated on this occasion.*
