

EU Criticizes Move to Seek Revision of ICJ Judgment – BIRN

February 23, 2017

The EU criticized Bakir Izetbegovic's move to seek revision of the International Court of Justice's 2007 judgment in BiH's suit against Serbia. The EU said in a statement, "The EU calls on politicians in Bosnia and Herzegovina to ensure that there is an agreement in the competent Bosnian institutions on the way forward before action is taken with the ICJ."
