

Bosnia gets delayed IMF loan tranche after meeting demands – Reuters

February 12, 2018 | [Edit this post](#)

The International Monetary Fund's board on Friday [approved](#) a review of BiH's loan program and the disbursement of a \$91.15 million loan tranche after BiH fulfilled IMF requirements. The release of the tranche had been blocked for a year because of BiH's failure to implement reforms demanded by the IMF.
