

EBRD to invest more than 700 mln euros in BiH road infrastructure – Reuters

February 26, 2018

The European Bank for Reconstruction and Development said today that it had signed a Memorandum of Understanding with the transport ministers of the Federation of BiH and Republika Srpska to invest more than 700 million euros in road infrastructure until 2020. The MOU was signed in London on the sidelines of the Western Balkans Investment Summit.
