Gerson Global Strategic Advisors LLC (Registrant No. 6023)  
Attachment #1

Response to Item 11:

Gerson Global Strategic Advisors LLC ("GGSA") has initiated a comprehensive array of initiatives, and economic projects designed to elevate both Morocco's geopolitical profile and stature among global agribusiness enterprises. In particular, GGSA initiatives strive to (1) highlight Morocco's leadership position in the Middle East and North Africa as a leader in constitutional reform, (2) showcase Morocco's trade and investment potential on the global arena, (3) increase awareness of both Morocco and Moroccan businesses importance as a major contributor to the world's need to feed a rapidly expanding global population, and (4) increase the financial and social impact. These initiatives involve, in most cases, public affairs projects designed to inform business, financial, and other interested constituencies about Morocco's role as the model for governance reform in the region and numerous Moroccan businesses role as a major exporter, refiner, and technological innovator in the fertilizer industry.

GGSA's efforts have included the development of a sustainable information program to highlight both Morocco's importance as the only Free Trade partner in Africa, and the significant trade and investment opportunities available within this growing economy which represents a gateway to Africa and the Middle East, but also a conduit to Europe and North America for sub-Saharan Africa. In addition, GGSA has created a long-term strategy for raising Morocco's profile and importance as a world leader in helping feed a growing global population which will soon exceed 7 billion people.

Creating awareness and interest in the historic upcoming parliamentary elections by coordinating the visit to London, Washington, and New York of Mr. Ahmed Herzenni, who will provide think tanks, and academic and government officials in the UK and US with his perspective on this historic event, the great strides Morocco has taken towards democratization, and the reasons why Morocco has become such a vital and important example for the world.
