Dear Senator Corker

As you may recall, the kingdom of Laos has been under communist Vietnamese control since 1975 due to the fact that former Secretary of State, Mr. Henry Kissinger, was in a rush to disengage American Forces from Indochina's quagmire, admonishing the Lao Royal Government into accepting a fateful coalition with the Pathet Lao, a Vietminh front created purposely for the conquest and domination of our homeland, Laos.

Since then, our compatriots have been deprived of the basic human rights and fundamental freedoms as the Lao People Democratic Republic is a one-party authoritarian regime where the communist Vietnamese have become absolute masters in the country.

Aware that the new American administration may intend to direct its foreign policy toward spreading the wind of freedom and democracy across the Asia Continents, we have taken this auspicious occasion to write to President Donald Trump (see enclosed copy) and would be grateful if you would lend your precious support to our request. Thank you in advance for your time and consideration.

Please accept, Sir, the assurance of my respectful gratitude and my highest consideration.

PURPOSE OF VISIT:

-WE ARE HERE TO SHARE THE CURRENT CHRONIC PROBLEMS THAT HAVE BEEN GOING ON IN LAOS, WHAT WE HAVE BEEN DOING AND PLAN TO DO IN THE FUTURE.

- SINCE COMING TO AMERICA IN 1975, WE HAVE ESTABLISHED VARIOUS KINDS OF SOCIAL/POLITICAL/RELIGIOUS /EMPLOYMENT/EDUCATIONAL/ECONOMIC/ AND LATELY MEDIA SELF-HELP ORGANIZATIONS TO HELP OUR PEOPLE ADJUST TO LIFE IN AMERICA. **THE POLITICAL AND REGIONAL ORGANIZATIONS ARE MAINLY SUPPORTED BY PRIVATE LAO-AMERICAN COMMUNITIES.** HOWEVER, RECENT LAOS POLITICAL LANDSCAPE IS CHANGING BOTH INSIDE THE COUNTRY AND IN OVERSEAS - **CALLING FOR ALL LAO UNITY TO SAVE THE COUNTRY FROM VIETNAM AND CHINA'S DOMINATION.** THEREFORE, AT ULC ANNUAL CONFERENCE LAST NOVEMBER, 25, 2017, IN MINNESOTA, WE HAVE DECIDED TO INITIATE THE FORMATION OF MOU-I TO UNIFY 4 MAJOR POLITICAL ORGANIZATIONS, AND WILL EXPAND IT INTO MOU-II OF ALL MAJOR OVERSEAS LAO POLITICAL ORGANIZATIONS INTO ONE LAO DEMOCRATIC COUNCIL WITH THE AIM TO NEGOTIATE WITH THE CURRENT LAO GOVERNMENT FOR RECONCILIATION AND RECONSTRUCTION OF THE COUNTRY INTO A TRULY INDEPENDENT, PEACEFUL, DEMOCRATIC, ECONOMIC AND MILITARY SELF-SUFFICIENCY AND PROSPEROUS COUNTRY LIKE SINGAPORE IN THE FUTURE.

THE FOLLOWING ARE THE OVERALL VIOLATION AND ABUSE OF HUMAN RIGHTS, FREEDOM AND DEMOCRACY IN LAOS:

*****Communism and High Corruptions – are the biggest chronic problems in Laos since taking over the country in 1975. The authoritarian communist LPDR gives favor mostly to their political cadres families and relatives for good and high paying positions. Corruptions are rampant from top to bottom and high officials are involved in all kinds of economic transactions – be them Special Economic Zones, deforestation/logging, land contracting/grabbing, dams building and the abused charging of the poor Lao workers returning from Thailand by local authorities. High corruption is so serious at all levels of government for the last 42 years that even today Laos does not have a functional budget to pay its workers on a regular monthly basis. The government exists by borrowing money and foreign aids which consist of 68% of its GDP).**

SCHEDULES OF MOU-I WASHINGTON, D.C. TRIP

March 18 – 21, 2018

Ambassador Grover Joseph Rees (Retired) managed to schedule a couple of meetings as follows:

Sunday, March 18, 2018

3:00 p.m. Lunch meeting at Jaleo Restaurant in Crystal City (Arlington VA) very near Reagan National Airport (DCA).

Monday, March 19, 2018

11 a.m.: Meeting with staff members (and possibly with one or more Commissioners) of the US Commission for International Religious Freedom.

2 p.m.: Meeting at the State Department with officers representing the DRL (Democracy, Human Rights and Labor) Bureau and the Office of International Religious Freedom, and tentatively the East Asia and Pacific Affairs (EAP) Bureau.

4:30 p.m.: Meeting with Dr. Nguyen Dinh Thang of Boat People SOS at BPSOS headquarters in Falls Church, Virginia.

MONDAY MEETINGS REQUESTED BUT NOT YET CONFIRMED:

1. I have made repeated attempts to get in touch with the State Department's Global Engagement Center (GEC) by email and by telephone, both to Acting Co-ordinator Daniel Kimmage and to others in the office. I did manage to speak with someone who gave me a group e-mail address for the people in the office who work on grants. I emailed them yesterday but still have not heard back from anyone. (The staffer with whom I spoke seemed a little confused when I told him I was seeking a meeting for a Lao-American delegation, because GEC's work does not have anything to do with Laos. But I told him the delegation would like a chance to sit down with GEC representatives and perhaps to persuade them that they should broaden their focus to include Laos.) I have reserved the 3 p.m. slot on Monday in case GEC is willing to meet.
- 2) The National Endowment for Democracy (NED) officer with principal responsibility for Asia has indicated that her colleague who works on Laos will get back to me soon.

Acting Assistant Secretary Patrick Murphy
DOS/Bureau of East Asia and Pacific Affairs
Harry S. Truman Building
2201 C. Street, NW.
Washington, DC., 20520

Dear Acting Assistant Secretary Patrick Murphy,

I am writing to request you to be our key note speaker at our upcoming Oct. 27, 2018 ULC/MOU (United Lao Council MOU) Annual Conference in St. Paul, MN. We will be glad to pay for your airline ticket and hotel, if necessary.

I am General Soutchay Vongsavanh, a former Royal Lao Army Commander in Military Region IV, in Southern Laos. I am now an honorable advisor to the MOU Group of Lao-American political parties/organizations advocating on human rights, freedom of religions and democracy to change the current Lao communist system into democracy. Our MOU-I of 4 groups of Lao-American Political Organizations visited Washington, DC on March 19-20, 2018, under the coordination of Ambassador Joseph Rees (retired). We are in the process of forming MOU-II with a dozen more Lao-American political organizations to participate in this Oct. 27, 2018 MOU Annual Conference in St. Paul, Minnesota.

As you may recall, the kingdom of Laos, which was a strong Ally of the United States, has been controlled by the communist Pathet Lao since 1975, with the support of communist Vietnam's troops in violation of the 1973 Vientiane Laos Peace Agreement. Since then, our Lao compatriots have been deprived of basic human rights and fundamental freedoms, as the Lao People's Democratic Republic is a one authoritarian party regime. However, after 43 years, Laos continues to be among the poorest country in the world without a functional budget to pay its government workers on a regular monthly basis, even the country has abundant richness in minerals and timber-woods. It survives on loans and foreign aids up to 68% of its GDP. Communism and high corruptions are the key problems for the country.

Aware that the new American Administration Policy is to ensure that peace, freedom, security and prosperity are maintained in Indochina/ASEAN and the Indo-Pacific Region, **we will greatly appreciate if you would take a little of your time to come and meet with our Lao leaders and young professionals from Canada, France, Australia, across the US and possibly from Thailand as well** at our Oct. 27, 2018 Annual Conference in Minnesota; your presence will lend a good support to our Lao-American Political Unity for the Reconvening of the 1973 Vientiane Laos Peace Agreement so that there will be Reconciliation and Reconstruction of Laos to be a true independent, peaceful, democratic and prosperous nation like other ASEAN countries.

We look forward to hearing from you soon.

Yours respectfully,
