Subject: SCOTUS ruling on Guelph Treasure restitution case

Hello [REDACTED],

Given your past coverage of the case....

Statement by SPK President Hermann Parzinger on the U.S. Supreme Court's 9-0 ruling that overturned a lower court's denial of SPK's motion to dismiss the Guelph Treasure restitution lawsuit:

"It is SPK's long-held belief that this case should not be heard in U.S. court. As such, we welcome the Supreme Court's unanimous decision in support of SPK. This ruling vacates the prior rejection of SPK's effort seeking the dismissal of the 2015 lawsuit over the Welfenschatz, and directs the lower court to reconsider SPK's motion to dismiss. We look forward to presenting robust legal arguments for the dismissal of this lawsuit."

Thanks,
Eric
