Deđerli dostlar,

CHP Amerika Temsilciliđi olarak geçtiđimiz hafta uluslararası basında yer aldıđımız iki haberi sizlerle paylaşmak istedim:

MEMRI: Cumhurbaşkanı Erdoğan, Türkiye'deki Özgür Medyaya Karşı Savaşına Devam Ediyor

<https://www.memri.org/reports/turkish-president-erdo%C4%9Fan-continues-crush-free-media-turkey-he-expands-messaging-efforts>

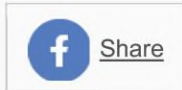

"CNN Türk yayınında, Ekrem İmamođlu'nun cümlesinin ortasında kesilip, Erdoğan'ın konuşmasının canlı yayınlanması, sosyal medyada Türklerin büyük tepkisini çekmişti. Bunun üzerine CHP Amerika Temsilcisi Yurter Özcan, CNN'e mektup yazmıştı: 'CNN Türk'e karşı inceleme başlatmasını talep ediyorum. Bu incelemeniz sonrası, gazeteciliđin temel kurallarının çiđnendiđini ve AKP iktidarını destekleyen yalan haberlerin yayınlandıđını görmenizi ve bu kanalın CNN'in adını kullanmasına izin vermemenizi bekliyorum.' CNN yetkilileri, Özcan'a konunun araştırıldıđını ve resmi incelemenin devam ettiđini bildirdi."

"CHP Amerika Temsilciliđi, Ankara'nın Suriye operasyonu sonrası konuyla ilgili kendi politika önerilerini paylaştı. CHP, Türkiye'nin Orta Dođu çekişmelerinde tarafsız olmasını ve Ankara ile Şam arasında diplomasiyi savunurken, Türk askerlerinin Suriye operasyonunu da destekliyor. CHP, aynı zamanda Donald Trump'ın Türkiye'ye karşı tehditlerini de eleştirirken, Cumhurbaşkanı Erdoğan'ı da Trump için bahaneler üretmekle suçluyor."

Saygılarımla,

CHP USA in the Media

Good afternoon,

Republican People's Party (CHP) US Representative Office was referenced twice in international media this past week:

MEMRI: Turkish President Erdoğan Continues To Crush Free Media In Turkey As He Expands Messaging Efforts In Washington, D.C. -

<https://www.memri.org/reports/turkish-president-erdo%C4%9Fan-continues-crush-free-media-turkey-he-expands-messaging-efforts>

"Following an incident on CNN's Turkish-language channel CNN Türk, in the run-up to the March 31, 2019 municipal elections in Turkey, when oppositionist Istanbul mayoral candidate and eventual winner Ekrem İmamoğlu was cut off mid-sentence to switch to a live broadcast of Erdoğan giving a speech, Turks reacted across social media. CHP American representative Yurter Özcan wrote to CNN: "I request that you launch an investigation into CNN Türk; I am sure that during it, as you find that the basic principles of journalism have been violated and that false news has been broadcast with the aim of supporting the AKP regime, this channel will no longer be allowed to use the CNN name." One of the few remaining Turkish opposition newspapers reported that CNN executives told Özcan that an investigation had been launched and that CNN would issue a formal reply."

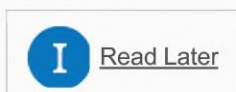

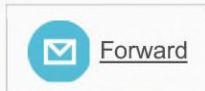

AL-MONITOR: This week's Middle East lobbying updates -

<https://linkst.al-monitor.com/view/59e67f5b3f92a41ffcf21600b51cy.44l/ab084963>

"The US office of Turkey's opposition Republican People's Party (CHP) [shared](#) its own policy recommendations following Ankara's incursion into northeast Syria last month. The CHP believes Turkey should not take sides in Middle East conflicts, and supports diplomacy between Ankara and Damascus, while supporting the deployment of Turkish troops to battle Kurdish militants in Syria. The CHP also takes issue with President Donald Trump's threats against Turkey and accuses President Recep Tayyip Erdogan's ruling Justice and Development Party of making "irrelevant excuses" for Trump."
