UKRAINE

Parliamentary Elections 101

Ukraine will continue their commitment to genuine, democratic electoral processes in line with European standards in order to join the European Union. Recently, after achieving consensus on new election laws, all of Ukraine's political forces voted in favor of the landmark election reforms. The European Centre for a Modern Ukraine (ECFMU) has actively supported recent reforms that will help to ensure that October's elections are free, fair and transparent.

NEW PARLIAMENT ELECTION POLICIES

450 TOTAL MEMBERS
Elected by mixed electoral system

Recent reforms require half the members of parliament to be elected directly by constituents in defined geographic districts.

The remaining 225 seats are filled by the European party-list system whereby seats are allocated to each party in proportion to the number of votes the party receives in nation-wide voting.
