National Security Council
The White House
Washington, DC 20500*

Dear Mr. Bolton,

It is my pleasure to request a meeting with you ahead of my forthcoming trip to Washington, D.C. on Wednesday 9th January 2019, following my first visit as the Republic of Haiti's Minister for Foreign Affairs in November 2018.

The United States and Haiti are united by a common history, and our two governments are aligned on multiple fronts because of our shared interests, including the security and prosperity of the Americas.

I hope to meet with you to discuss important issues including the current situation in Venezuela, and efforts to improve security, stability and promote the rule of law across CARICOM and in Haiti.

The Haitian government is keen to reaffirm its willingness to collaborate with the United States administration and to work together with your teams at the National Security Council to deepen the relationship between Haiti and the United States.

I look forward to hearing from you.

Sincerely yours,

Bocchit Edmond

Minister of Foreign Affairs and Cults
